The Term Slave Was Forced Upon Us Once We Were Kidnapped (Nabbed By Force Against Our Will) From Our Land In North America, South America And Also From Those Who Were Kidnapped And Sold As Slaves From Africa, These Acts Are Unlawful According To The Black's Law Dictionary, The Dictionary Of Criminal Justice Terms, The Lindbergh Act Of 1932 A.D., Model Penal Code 212.1, And The UCR. 26. Other Illegal Acts According To The Europeans And Euro-Americans Laws Against Us Are Raping, Murdering, And Torturing, Castration, And Lynching.

According To Revised Code Of 1819 A.D. "All Murder Which Shall Be Perpetrated ... By Starving, Or By Wilful Malicious And Excessive Whipping Beating or Other Cruel Treatment Or Torture, Or ... By Rape... Shall Henceforth Be Deemed Murder In First Degree."

The Act Of 1799 A.D. States In Part: "Any Person Who Shall Dismember Or Deprive A Slave Of Life, Shall Suffer Such Punishment... Like An Offence Had Been Committed On A White Person...", This Act Is A Perfect Example Of How They Write The Laws But Didn't Follow Them. Some States Had This Law But Added Exceptions And Provisions, Such As Georgia and Tennessee Which Followed The Above Act With Exceptions. According To The Statute Of 1799 A.D. Ch. 9, Of Tennessee, The Exception Says: "... Provided, This Act Shall Not Be Extended To Any Person Killing Any Slave In The Act Of Resistance To His Lawful Owner Or Master, Or Any Slave Dying Under Moderated Correction". Georgia's Exception Quotes "... Except In Case Of Insurrection Of Such Slave, And Unless Such Death Should Happen By Accident In Giving Such Slave Moderate Correction". In spite Of These Exceptions, They Still Did Not Have The Right To **Deliberately** Or "Accidentally" Kill Humans "Slave" Or Not They Were And Are In Violation Of Their Own Made Laws. Our Children Were Also Subject To Physical And Mental Abuse, Stemming From Taking Them Away From Their Mothers, Parents And People, At Crucial Ages Causing Psychological And Mental Disorders. We Were Also Mentally Influenced Against Our Own Heritage And Religion, And Still Are Being Taught To Hate Ourselves. Such Brutalities Has Been The

How Can You Discover A Land That Was Already Inhabited? The American Heritage Dictionary, Third Edition Defines The Word Discover As "**To Be First To Find, Learned Of Or Observed**". These Europeans And Their Descendants Conquered, Settled And Reshaped Our, The Yamassee Native Americans Ancient Homeland To Their Needs, With No Concern, Respect, Or Care For What We Already Established And Acquired. They Wanted Us And Other Victims Of Kidnap For Our Labor, Our Knowledge Of The Mountains, Forest And Plains, For Our Goods, Our Silver, Our Gold, Our Maize, Our Cloth, And Our Furs. When We, "The First People Of The Western Hemisphere" Could Not Accommodate The Conquerors And Settlers, Who opposed Us, Many Of Our Family And Tribe Member Were Tortured And Killed. They Gave Us Their Family Names Like Fletcher, La Roche, And Powell. In Place Of Our Own Moorish Names Like El, Bey, Dev, And Ali. They Gave Us British Names Like York, Clark, And Williams. Jewish Names Like Miller-Smith And Joseph And Many Irish Names For Our Native American Names Like Black Eagle, Sitting Bull, And Hawk Eye. They Gave Us Nick Names Like Nigger, Spook, And Spade when, We Already Had Names For Ourselves Such As: Yamassee, Which Is A Distortion Of The Muskogee Word Yamasi Meaning "Gentle", Iroquois, From The Algonkin Word Iriakhoiw Meaning "Real Adders", Apalachee, A Haitchiti Word Meaning "People On The Other Side", And Kiowa, A Kiowa Word Meaning "Principle".

We Were Also Named Massachusetts, Nez Perce, And Mandans. These Europeans And Euro-American Will Say That They Signed Treaties, And Agreements For The Land. However, This Is Only Partially True, For We Native Americans Were At Constant War With These "Conquerors" And We Did Not Have Or Use U.S. Currency, "Money". We Were Swindled, Conned, Cheated Out Of Our Land. When We Were Tired Of Fighting, We Made Treaties To Share The Land, Although They Were Planning On Taking The Land All For Themselves, Not Intended To Share It. We Did Not Read Their Languages So They Tricked Us. In The Book Entitled "**New Partnership Indigenous People And The United Nations System**", Where It States And I Quote: "A North American Leader Explained To A Younger Tribal Member: The Paper With Words Had One Kind Of Meaning. Three Objects From The Signing Ritual Had Others. A Bag Made Of Deer Skin Signified Sharing, The Sacred Pipe Was For Truth And Sweet Grass Meant Kindness. They Were "A Kind People",..." Make Note At This Point, From The Above Statement That, We The **Yamassee**, Were The: "Kind People", Which Is What The Name **Yamassee** Means "**Kind Or Gentle**". So As You Can See, It Doesn't Matter If These Settlers Made Treaties, Or Agreements With Us, Because We Had Two Different Understandings Of These Treaties. We, As The

Yamassee Native American, Made Treaties To Share The Land, And These "Conquerors", With Malicious Treatment, Tortures, And Wars Removed Us From The Land And Occupied It All. They Went As Far As Putting Small Pox On The Paisley Prints In Our Blankets To Wipe Us Out. A Perfect Example Of This Is The Yamassee Revolt Against The Spanish In The 17th Century And The Forced Sale Of The Black Hills, A Scared Site Of The Teton Sioux Native Americans In The 19th Century. This Kind Of Treatment Was Going On All Over The World With Europeans. A Spokesman From Gag Gaita In The Baster Region Of South Asia, Described An Experience In 1981 A.D., Where His People Had Been Told That The Government Will Care For Everything And Give Them Money. However, When They Went To Them And Asked For Money, They Said "Your Name Is Not Registered, You Don't Have Papers To Your Land And Come Again Later". So He Concluded: "So They Play Their Evil Game With Us." Also In Aotearoa (New Zealand), Treaties And Agreements were Simply Voided By European Settlers, When It No Longer Served Their Purposes To The Europeans. A Treaty Of Waitangi, New Zealand In 1840 A.D., Was Nullified As More And More Europeans Immigrated To Aotearoa, Changing Its Name To New Zealand.

As Descendants Of The Olmecs, We Are The Indigenous People Of This Land. We Ask Only What Other Ethnic Peoples Have Already Asserted For Themselves; To Continue As Distinct And Separate Cultures In Our Homeland.

The Definition Of Indigenous People, As Defined By The United Nations, Stresses Our Ability To Survive, Despite Centuries Of Ill-Treatment. The United Nations Defines Indigenous People As, People Who Have Continued To "Consider Themselves Distinct...And Are Determined To Preserve, Develop And Transmit To Further Generations Their Ancestral Territories, And Their Ethnic Identity... In Accordance With Their Own Cultural Patterns, Social Institutions And Legal System, They Have Resisted For Over 500 Years, And They Have Survived As Separate Cultures Despite Centuries Of Deprivation, Assimilation And Genocide. Now They Are Once Again Active On Their Own Behalf. Indigenous People World Wide Are Claiming What Their Leaders Refer To As "The First Rights Of The First People." Also, A Torres Strait Islander From The Western Pacific Describes His People To The United Nations Working Group On Indigenous Population As "The Original Owners Of The land." He Continued: "We Have Not Lost Our Islands. We Do Not Ask For Them Back. They Have Always Been Ours. We Have Right On Our Side, We Now Seek Justice." The United Nations Have Acknowledged That Indigenous Number Over 300 And Count 4 Per Cent Of The World's Population. They Live In Every Part Of The World, In The Cities Of The Most Technological Cultures, Along Terraced HillSides, In Heavily Populated Agricultural Provinces, On The Wide Prairies And Savanna Of Sparsely Settled Regions. They Share Tragic Common History: Invasion Of Their Territories And Alteration Of Their Environment, The Breaking Or Voiding Of Treaties, Violence Against Their Peoples, Discrimination And Abuse, Poor Health Care And Disadvantaged Living Conditions, Attacks On Their Beliefs And Customs, Desecration Of Their Scared Sites, Imposition Of Alien Education Systems And Language, The Undermining Of Their Way Of

Nayya: Malachi Zedek York-El Was Born June 26, 1945 A.D., To Mary C. York And David P. York, Son Of William York And His Wife Carrie. William Was The Blood Son Of Ben York (1779-1893 A.D.), Of The Lewis and Clark Louisiana, So-Called, Purchase Where He Was Declared Free By William Clark (1770-1838 A.D.). William Clark Signed A Manumission In 1802 A.D., To Free A Slave Named "Ben", Which Is Ben York; However He Changed His Mind, And Ben York Was Freed After May 1811 A.D. Ben York Also Left A Trail Of Progeny Along The Expedition's Path. According To "In Search Of York" By Robert B. Betts, On Page 71 And I Quote: "...On The Return Journey, He (York) Found That He Had Become The Father Of A Little Nez Perce Negro.... Occasional Modern Nez Percés With Kinky Hair Are Perhaps Descended From This Child. Of The Mandans, ...In 1899 ...Signs Of York Could Still Be Detected Among Them." Robert P. Warren, A Poet And Novelist Is Quoted On Page Of The Same Book Saying "And My Good Nigger York, Who Left His See In Every Tribe Across The Continent-", Thus Making Us Also Descendants Of The Nez Perce, One Of The Various Native American Tribes. As Ansaars, Malachi Z. York Taught Us To Wear The Nose Ring In The right Nostril, Which Is The Custom Of Our Ancient Ancestors And The Nez Perce Child Of Ben York. Ben York Was The Son Of Old York, A.K.A. "Yusef Ben Ali" (1756 - 1861 A.D.). "Ben York's Parents Were Named After One Of The Great British Families, The York's From "Yorkshire, Northern England". The Ancestors Of These York's In England Were Black-A-Moors. Refer
